

TECHNICAL INFORMATION SHEET

PRODUCT NAME:

HAILSTORM

PRODUCT DESCRIPTION:

HAILSTORM is highly concentrated low foaming parts cleaner recommended for cabinet washers & wash tubs. HAILSTORM is excellent for decarbonizing and degreasing automotive & industrial parts.

PRODUCT APPLICATIONS:

DIRECTIONS: Use ½ to 1 oz of HAILSTORM to 1 gallon of water, dilution may vary depending on washing conditions. Best results will be obtained using hot water. Do not add large amounts of HAILSTORM at one time when changing the parts washer.

- CAR WASHES
- TRANSPORTATION INDUSTRY

OVERVIEW:

- Blue Powder
- Easy mixing and stable in strong solution
- Packaged in 20 KG, 50 KG and 180 KG sizes
