

TECHNICAL INFORMATION SHEET

PRODUCT NAME:

PRAIRIE STORM

PRODUCT DESCRIPTION:

PRAIRIE STORM is a yellow-colored liquid with a touch of citrus scent. PRAIRIE STORM is very effective in removing heavy oil build ups, grease, tar and asphalt.

PRODUCT APPLICATIONS:

DIRECTIONS: PAIRIE STORM should be used full strength for the fastest cleaning actions and for environmental reasons. PRAIRIE STORM can be diluted with kerosene or diesel by 100%. PRAIRIE STORM can also be diluted with water by 50% but emulsion will slow down cleaning time.

APPLICATION: Apply with a pump sprayer, brush or can be mopped on. Rinse area thoroughly with clean water.

OVERVIEW

- Yellow colored liquid
- Citrus scent
- Packaged in 20L, 200L and 1000L sizes
- See SDS for more information
